### Fairtrade coffee raises £200 for Traidcraft

A COFFEE Morning held to mark Fairtrade Fortnight 2012 at St Nicolas Church on Saturday March 10 was a great success attracting plenty of support from members of the church and the wider village community. A cheque for £200 has been sent to Traidcraft for their Fairtrade Foundation. Margaret Hibbert, organiser of the coffee morning, said: "St Nicolas is proud to be a Fairtrade church, serving Fairtrade refreshments, having a stall selling Traidcraft products once a month and promoting the Fairtrade movement whenever possible."
